

Educational Leadership Module

AIM:

The module is designed to enable the learner to develop a critical understanding and application of Educational leadership skills, theory and practice with the view of transformation, so that learners develop a deep feeling of accountability, justice, integrity and efficiency in their responsibilities as educational leaders.

OBJECTIVES:

By the end of the module learners should be able to:

1. Critique current theories on leadership
2. Explain and discuss the role of the School Head
3. Critically examine the importance of delegation in Educational Leadership
4. Outline administrative procedures at school level
5. Assess effective educational leadership
6. Examine the effectiveness of record keeping in schools
7. Discuss how adults learn
